WHAT WE DO

#ITSABOUTSUPPLIES

The Reproductive Health Supplies Coalition is the world's largest network of reproductive health (RH) supplies organizations. Formed in 2004, it is a partnership of 470 public entities, private corporations, and NGOs working so that everyone in low- and middle-income countries (LMICs) can access and use affordable, high-quality RH supplies.

CHOICE

Covid 19 impact: a global supply crisis

And:

- Economic disruption both at household level and national level
- Resources being diverted from supplies to responding to covid-19

Impacts on Availability, Quality, Equity and Choice of menstrual health products

To mitigate the impact: innovate & collaborate

And:

- Cope with period poverty
- Learn from past crises: ensure that life-saving activities continue
